11. APPOINTMENT OF THE BOARD OF DIRECTORS

The company is managed by a Board of Directors consisting of a minimum of five (5) and a maximum of eleven (11) members, including the Chairman and one or more Deputy Chairmen.

The number of directors and their appointment will be determined by the Shareholders' Meeting.

Pursuant to art. 12 of the articles of association, the board of directors remains in office for three financial years unless a different and shorter period is established by the Shareholders' Meeting at the time of appointment.

The renewal of the Board of Directors will take place with the list voting mechanism, in accordance with the provisions of art. 13 of the Articles of Association. For the valid presentation of the lists, the Shareholders must comply with the provisions contained in the Articles of Association otherwise they shall be invalid.

The outgoing Board therefore invites the Shareholders to submit lists for the appointment of the Board of Directors, taking into account the size of the administrative body and the requirements of gender and independence.

With regard to the procedures for submitting lists for the election of new directors, please note that:

- a) the lists submitted by the Shareholders must be filed at the Company's Registered Office via registered letter with notice of receipt or sent by certified email to the address tisg.ir@pec.it from a certified email address no later than twenty-five days before the date of the shareholders' meeting (**Sunday 2 April 2023**) called to resolve on the appointment of the members of the Board of Directors, however, since 2 April 2023 is a holiday, this deadline - with sole regard to the submission of the lists - is extended to Monday 3 April 2023; the lists will be made available to the public at the registered office, on the website www.investor.theitalianseagroup.com, (section "Governance/AGM") and at the "eMarket Storage" storage mechanism available at www.emarketstorage.com at least twenty-one days before the date of the Shareholders' Meeting (**Thursday 6 April 2023**), subject to the publication of the lists in accordance with the law;
- b) Only shareholders who, alone or together with others, hold shares with voting rights representing a percentage of not less than 2.5% of the share capital shall have the right to submit the lists pursuant to the Articles of Association and Consob Resolution no. 76 of 30 January 2023. The ownership of the minimum share required for the submission of the lists is determined with regard to the shares that are registered in favour of the shareholder on the day on which the lists are filed with the Company. This shareholding must result from specific certifications that must be submitted by the Shareholders, along with the lists, or even after the filing of the lists, as long as it is done within the deadline required for publication of the lists (**Thursday, 6 April 2023**). Each shareholder, as well as shareholders linked by control or connection relationships pursuant to the Italian Civil Code or who belong to a shareholders' agreement concerning the Company's shares, cannot submit or vote, not even through a third party or trust company, for more than one list. Each candidate may appear on only one list, under penalty of ineligibility.
- c) The number of candidates included on the lists must not exceed eleven, be listed in progressive order and

possess the requirements envisaged by law. Without prejudice to compliance with the gender balance criteria as set out herein, in each list composed of at least 7 candidates, at least 2 - indicated in a position no further than the second and seventh place of each list - must also meet the independence requirements envisaged by law as well as the Code of Corporate Governance.

The lists that submit a number of candidates equal or greater than three (3) must be composed of candidates of both genders, so that at least two fifths (rounded up) of the elected directors belong to the less represented gender and one fifth for the first renewal subsequent to the trading start date, without prejudice to any other legal or regulatory provisions pro tempore in force. In this regard, however, in consideration of the Company's adherence to the Corporate Governance Code, **at least one third of the directors of the less represented gender should be appointed in accordance with the provisions of the aforementioned Code, at recommendation no. 8.**

Together with each list, exhaustive information on the personal and professional characteristics of the candidates is filed, as well as the declarations submitted by the individual candidates accepting the candidacy and certifying, under their own responsibility, that they meet the requirements prescribed by law and regulations for members of the Board of Directors, and any other document required by law and regulations. Any change in the data communicated that may occur up to the day the Shareholders' Meeting is actually held must be promptly communicated to the Company.

Each list must include at least two candidates who meet the independence requirements, mentioning these candidates separately and indicating one of them at the top of the list.

The Shareholders' Meeting is also required to determine the number of members of the Board, its term of office and the annual remuneration due to all Directors.

Those who submit a "minority list" are subject to the recommendations formulated by Consob with Communication no. DEM/9017893 of 26 February 2009.

For anything not expressly indicated in this Notice, please refer to the Articles of Association of the Company as well as to the reports of the Board of Directors on the items on the agenda of the Shareholders' Meeting, published in the form and in the manner prescribed by law.

12. APPOINTMENT OF THE BOARD OF STATUTORY AUDITORS

Art. 21 of the Articles of Association envisages that the Board of Statutory Auditors comprises three statutory auditors and two alternate auditors, appointed and acting in accordance with the law. In compliance with current legislation and regulations on gender balance, one third of the members of the Board of Statutory Auditors must belong to the less represented gender. On the basis of the provisions of the Articles of Association, the election of a statutory auditor, who will take on the role of Chairman of the Board of Statutory Auditors, and an alternate auditor, is reserved to the minority.

The statutory auditors must also meet the requirements envisaged by current legislation and regulations. In particular, these include the requirements of professionalism, integrity and independence, as well as those relating to the accumulation of offices, without prejudice to the situations of incompatibility envisaged by law. Furthermore, in compliance with art. 21.2 of the Articles of Association, all statutory auditors must be enrolled in the register of auditors and have worked as auditors on accounts for a period of not less than three years.

The Board of Statutory Auditors is appointed on the basis of lists submitted by the shareholders, pursuant to art. 21 of the Articles of Association. More specifically:

- (a) each list must comprise two sections: one for candidates for the office of statutory auditor, the other for candidates for the office of alternate auditor. Lists with a number of candidates equal to or greater than three and equal to or greater than two (in relation to the section for candidates for the office of alternate auditor) must be composed of candidates belonging to both genders in accordance with legislative and

regulatory provisions. Only candidates who meet the limits of the number of offices held as established by the regulations may be included on the lists (statutory auditors in five other listed companies, not including subsidiaries, even if listed) and who meet the requirements of integrity, professionalism and independence.

- (b) the lists submitted by shareholders who alone or together with other shareholders represent at least 2.5% of the shares with voting rights in the ordinary shareholders' meeting, as per the Articles of Association and Consob Resolution no. 76 of 30 January 2023 may be admitted for voting. Ownership of the minimum submission percentage of shares shall be determined with regard to the shares that are registered in favour of the shareholder on the day on which the lists are filed with the Company; the related legal certification (communication issued by an authorised intermediary pursuant to the applicable regulations, proving ownership of the number of shares represented, determined with regard to the shares that are registered in favour of the Shareholders on the day on which the lists are filed with the Company) may also be submitted after filing, provided that it is by **6 April 2023**;
- (c) Each candidate may appear on only one list, under penalty of ineligibility. Each shareholder, as well as shareholders linked by control or connection relationships pursuant to the Civil Code or who adhere to a shareholders' agreement concerning the Company's shares, cannot submit or vote, not even through a third party or trust company, for more than one list.
- (d) Outgoing auditors are eligible for re-election;

The lists accompanied by the information required by the reference regulations, as well as the documentation required to accompany them, in accordance with the provisions of arts. 148, paragraph 2, of the Consolidated Law on Finance, 144-sexies, paragraph 4-ter, of the Consob Issuers' Regulation, and 21 of the Articles of Association must contain the reference "lists for the appointment of the Board of Statutory Auditors" and be filed at the registered office of the Company by means of registered letter with return receipt sent by certified email to the address tisg.ir@pec.it at least twenty-five days before the date set for the Shareholders' Meeting, and therefore by **Sunday 2 April 2023, however, since 2 April 2023 is a holiday, this deadline - with sole regard to the submissions of the lists - is extended to Monday 3 April 2023**; together with the additional documentation required by law and regulations in force, and will be made available to the public at the registered office, on the Company's website www.investor.theitalianseagroup.com, (section "Corporate Governance/AGM") and at the mechanism "eMarket Storage" authorised storage facility, available at www.emarketstorage.com, by **6 April 2023**.

The lists must be accompanied by information relating to the identity of the shareholders who submitted the lists, with an indication of the total percentage interest held, which must represent at least 2.5% of the shares with voting rights at the ordinary shareholders' meeting, as per the Articles of Association and Consob Resolution no. 76 of 30 January 2023, the share that is determined with regard to the shares that are registered in favour of the shareholder on the day on which the lists are filed with the Company.

The related legal certification (communication issued by an authorised intermediary pursuant to the applicable regulations, proving ownership of the number of shares represented, determined with regard to the shares that are registered in favour of the Shareholders on the day on which the lists are filed with the Company) may also be submitted after filing, provided it is by **6 April 2023**.

Pursuant to art. 144-sexies, paragraph 5, of Consob Regulation no. 11971 of 14 May 1999 as subsequently amended (the "Consob Issuers' Regulation"), in the event that at the date of expiry of the deadline for submitting lists for the Board of Statutory Auditors (i.e. by Monday **3 April 2023**) only one list has been filed, or only lists submitted by shareholders connected to each other pursuant to the applicable provisions, lists may be submitted until the third day following that date (and specifically until 14.00 of **6 April 2023**). In this case, the minimum participation threshold in the share capital for the submission of a list as indicated above is reduced by half (1.25%).

Each shareholder may submit or contribute to the submission of only one list and vote for only one list. The parties that control it, their subsidiaries and those subject to joint control may not submit or contribute to the submission of other lists, or vote on them, not even through a third party or through trust companies, with

subsidiaries referring to the companies pursuant to art. 2359 of the Italian Civil Code and art. 93 of the Consolidated Law on Finance, in force from time to time or as possibly replaced.

The lists must also be accompanied by:

- (i) information relating to the identity of the shareholders who submitted the lists, with an indication of the overall percentage of the shareholding held;
- (ii) a declaration by shareholders other than those who hold, also jointly, a controlling or relative majority shareholding, certifying the absence of any connection with the latter as provided for by the regulations in force;
- (iii) exhaustive information on the personal and professional characteristics of the candidates and the declarations with which the individual candidates accept their candidacy and certify, under their own responsibility, that they meet the requirements legally and statutorily prescribed for their respective offices;
- (iv) the list of administration and control offices held by the candidates in other companies with the commitment to update this list at the date of the Shareholders' Meeting;
- (v) any other document or information required by law.

Candidates not meeting the above requirements are not eligible.

Any change in the data communicated that may occur up to the day the Shareholders' Meeting is actually held must be promptly communicated to the Company.

The Shareholders' Meeting is also required to determine the annual remuneration due to all Statutory Auditors.

Those who submit a “minority list” are subject to the recommendations formulated by Consob with Communication no. DEM/9017893 of 26 February 2009.

For anything not expressly indicated in this Notice, please refer to the Articles of Association of the Company as well as to the reports of the Board of Directors on the items on the agenda of the Shareholders' Meeting, published in the form and in the manner prescribed by law.
