### **Proposed share capital increase to service the Plan**

The implementation of the Plan, if approved by the Shareholders' Meeting, will take place, *inter alia*, through a capital increase with the exclusion of option rights pursuant to Article 2441, paragraphs 5, 6 and 8 of the Italian Civil Code, for a maximum nominal amount of EUR 795,000, plus any share premium, subject to revocation of the resolution to increase the capital to service the “Long Term Incentive Plan 2026-2028”, adopted by the Shareholders' Meeting on 18 February 2021, by issuing up to 1,590,000 new ordinary shares with no indication of par value to service the Plan.

Meeting – Right of Intervention and Representation) in order to make the institution of the designated representative referred to in Articles 135-undecies and *135-undecies.1* applicable to the Company of the Italian Consolidated Law on Finance, as well as the proposed formal revision of the articles' numbering system and the revision of Articles 2, 6, 9, 10, 11, 12, 13, 14, 15, 17, 18, 20 and 21 of the Articles of Association.

The Board of Directors believes that the introduction of increased voting rights could (i) incentivise medium- to long-term investments in the Company's share capital, allowing shareholders willing to participate in the Company's *governance* to have greater weight in decision-making, as well as (ii) counteract any possible phenomena of stock volatility related to the short-term choices of financial investors.

With reference to the Designated Representative, the Board of Directors believes it to be a tool to facilitate the Company's shareholders, allowing them to designate a person identified by the Issuer to represent them at the Shareholders' Meeting, giving him/her precise voting instructions. In the light of the experience gained in recent years, the Board of Directors believes that the use of the Designated Representative reconciles an orderly and efficient management of the Shareholders' Meetings with the ease, for all Shareholders, of casting their votes, without such a way of conducting the meetings compromising the rights of participation recognized by law to Shareholders.

It should be noted that the amendments submitted for approval of the Shareholders' Meeting do not legitimise the withdrawal of Shareholders under Article 2437 of the Italian Civil Code.

The explanatory report of the Board of Directors has been made available to the public in the manner and within the terms set forth in Article *125-ter*, paragraph 1, of the Italian Consolidated Law on Finance.

The explanatory report of the Board of Directors has been made available to the public in the manner and within the terms set forth in Article *125-ter*, paragraph 1, of the Italian Consolidated Law on Finance.

### **Amendment of the Remuneration Policy**

On 31 May 2024, the Board of Directors, upon the proposal of the Appointment and Remuneration Committee (the “**Appointment and Remuneration Committee**”), approved the Compensation Policy including the new share incentive Plan.

Without prejudice to the principles and objectives underpinning the Remuneration Policy, the Board intends to submit to the Shareholders' Meeting for approval, pursuant to paragraphs *3-bis* and *3-ter* of Article *123-ter* of the Italian Consolidated Law on Finance, the proposal for approval of the Remuneration Policy aimed at (i) including the new *stock option* plan among the variable components of remuneration, and (ii) introducing a change in the remuneration of the members of the Board of Directors.

The Remuneration Report will be made available to the public in the manner and within the time limits set forth in Articles *123-ter* and *125-ter*, paragraph 1, of the Italian Consolidated Law on Finance.
